The book is “the remarkable true story of how a young boy emerged from a war zone, found safety in Canada, and shared his story so the world will know what is truly happening in Syria.”

During the two week period, the book will be immediately available to patrons and to get started reading, all that is needed is a Westmoreland Library Network library card. ***Homes: A Refugee Story*** can be read on all major computers and devices, including iPhone®, iPad®, Android™ phones and tablets, Chromebook™ and Kindle®. Remember, no wait lists or holds needed! Since there's no limit to the number of copies available (this title only), everyone can check out this eBook/eAudioBook at the same time.
