Supporting Your Library!

Serving Murrysville, Export and Washington Township

"A library outranks any one thing a community can do to benefit its people."

Andrew Carnegie

November 2023

Dear Library Supporter,

"Thank you for enriching my life every day. What a treasure the Library is to this community!

Many thanks" Lorraine Wolfe –

Those are the words of Lorraine Wolfe, included with her generous Annual Donation. Our Library has become more than just a place to borrow books. It is truly a "community center" where both children and adults may engage in a wide range of activities, and in which community organizations have become part of the team that helps provide those programs. Using our advanced TechNook technology, originally funded by a memorial grant from a Murrysville family, programming is now both in person and virtual.

Our community partners--from Dog Reading Pals, supporting and enhancing reading skills in youngsters; Murrysville AAUW, providing guests speakers on a wide range of topics; several well-attended book clubs and a knitters group; and Plant-based Pittsburgh, providing cooking demonstrations and information about healthy eating-- all of these diverse groups, and more, provide a wealth of reasons to be drawn in to the Library. Couple all that with the creative Library staff bringing new audiences in with their innovative programs, and you can readily see the vital role that the Library plays in our community.

As a supporter of the Library, you have helped ensure that this robust center of activity continues to grow and flourish. In Lorraine's words, the Library is indeed a "treasure," as are each of you, and we look forward to your generosity now and in the future.

Gratefully,

Connie Cauvel – President
Murrysville Community Library Foundation
