*Supporting Your Library!*

## ***Serving Murrysville, Export and Washington Township***

“A library outranks any other one thing a community can do to benefit its people.”

Andrew Carnegie

November 2020

Dear Library Supporter,

If 2020 and the Covid-19 pandemic have earned a catch phrase, it might be “Every challenge is an opportunity.” At least that’s how the team of creative problem-solvers, your librarians, staff, and volunteers at the Murrysville Community Library, treated each obstacle that threatened to block the traditional pathways to learning, literacy, and enjoyment over this past year. From launching MCL’s first ever, all-digital summer reading program on the Beanstack platform, to coordinating curbside service for the pickup of physical library items, to developing forward-thinking ideas like *TechNook 365* (all while mastering online synchronous meeting software and working from home!) this dedicated team lives MCL’s mission “to inspire ideas, enrich lives, and create lifelong opportunities for learning, literacy, and enjoyment.”

As we look ahead to next year and new opportunities, now is the time to offer much needed support of your Library. Your generous donation to the Murrysville Community Library Foundation directly sustains the continued enhancement of the Murrysville Community Library for current and future patrons. As our vision states, “The Murrysville Community Library is central to a connected and engaged community enjoying endless possibilities for lifelong learning, individual achievement, and enjoyment.” Your donation ensures the continued fiscal health of the Library, keeping open the pathways to endless possibilities for everyone we serve in Murrysville, Export, and Washington Township.

With gratitude for your continued support,

Connie Cauvel – President  
Murrysville Community Library Foundation
